Kind Words from Our Clients

Honest Reviews from Unforgettable Celebrations

"Sean at Happy Life worked our wedding this last week and he was nothing short of AMAZING! He really adopts the attitude of nothing being a no and is up to making your vision work no matter what. He thought of everything, from multiple speakers around our indoor/outdoor venue, allowed us to have a seamless ceremony and a first dance outside, and seamlessly transitioned to our indoor venue for the dance immediately afterwards. Our guests were raving on how full he kept the dance floor all night! Their Photo Booth and audio book services were also wonderful additions that gave us so much to smile about after the day was over. We cannot recommend them enough for the fantastic service they provided us.

★★★★★ — **Alyssa**

"What can be even said! Sean & Kenrose hosted our company Christmas party and absolutely nailed it. The best music flow and crowd engagement and customer service I've ever had.

Thanks guys, and we'll see ya real soon!"

★★★★★ — **Pete Jewer**

"Cannot rave about them enough! Off the hop, Sean was very responsive and easy to coordinate with. Day of, our DJ Tom exceeded expectations and kept the party going all night! Our guests said they couldn't sit down because the next song kept them up. Definitely recommend them!"

★★★★★ — **Adrienne Cha**

"As a wedding planner, I've had the pleasure of working with Sean and Tom, and their incredible team of DJs, many times. They are always reliable, professional, and an absolute joy to collaborate with. Every time I see that one of my couples has booked them, I feel such relief as a planner because I know everything will run smoothly and perfectly.

A special thank you as well to some of their DJs who have gone above and beyond by helping me move heavy wedding items on a few occasions. Your support is so appreciated!"
